  - ii. Per admin - these activities came from a place of alternate activities for kids that aren't drawn to sports/playground. There is a budget for all playground equipment, inc. puzzles, weaving, rainbow looms etc. Hard to manage logistics, so piloting with 4th and 5th graders this year. School would welcome additional funds; unknown how fast materials will move. School does have room to store materials and would want to have input as far as what items are included on the list if materials are provided by pta and/or parents.
  - iii. Can we ask parents to donate unused items from their homes? Yes.
  - iv. Moved and seconded. Passed unanimously.
- b. Many districts are offering teachers/staff a know your rights night. Is our district putting anything together on this?
